New Greens & Surrounds

Everyone agrees what a pleasure it is to bowl on our new greens.

The new rink marker system and synthetic surrounds have really improved the appearance around the greens.

Dropping of Bowls should be avoided at all times. Please place bowls on the greens. Do not drop from the bank

“Club Singles Championships” Wednesday December 11th

In front of an excellent crowd the Grand Finals for the Club Singles Championships were decided, and those present were not disappointed as they witnessed some wonderful bowling across the board.

Danny Tamburrini was crowned the Mens Club Champion beating Klevo Takanen, whilst Lesley Eade had a come from behind win against Judy Woods to become Ladies Champion for the 7th. time. It was an amazing performance from Judy, who only took up bowling last season, to take the game down to the wire .

The Men’s Novice Champions is Wayne Taylor, who held off Phil Gray .The only question now was it going to be a Taylor or a Tamburrini family affair as at the same time Lynette Taylor was playing Dot Tamburrini in the Ladies Novice final. Fortunes swung both ways before Lynette came back from 13-19 down to beat Dot in an epic match. One has to conclude that there is a very bright future for the Club with so many of our newer bowlers featuring in the finals series.

Wishing you and your families a safe and happy festive season.

Dumping All bowlers should take care to deliver bowls smoothly. Dents created by dumping, ramming or dropping bowls damage the playing surface. Players who continue to dump will be asked to seek assistance from a coach .

Our Bunnings BBQ Fundraiser is happening – Sunday January 12th. HELPERS NEEDED!!

Write down your name in a time slot that suits on the list in the foyer, this fundraiser cannot run without people putting their hands up to help . Each shift is just 2 hours.

Life is full of unexpected things but always remember that it’s hard to beat a person who never gives up.
