An aerial photograph of the Mt Martha Bowls & Petanque Club grounds. The central feature is a large, rectangular green lawn used for bowls and petanque. To the left of the lawn is a tennis court and a large, light-colored building, likely the club's clubhouse. A parking lot with several cars is visible in the foreground. The grounds are surrounded by dense green trees and a body of water is visible in the background.

CLARITY  
DENTAL CARE

5973 5060

## 10% Seniors Discount for Routine Dental\*

Dental exams are important at any age as both hard tissue (teeth) and soft tissues are checked to assess oral health and wellbeing.

With age, there is a tendency to be on more prescribed medication especially for conditions such as **high blood pressure**. **Medication** such as these can **cause dry mouth**, which can in turn lead to greater incidents of tooth decay.

Check-ups also assess the condition of existing restorations as they also experience wear and tear, which can cause leakage around the tooth that can lead to dental decay.

Mufti neat casual wear is permitted for coaching sessions and practice.

For Club Championships please refer to the Bowls Competitions page.

FLAT SOLED SHOES or Bowls Victoria approved must be worn on all bowling greens at all times.

### **PRACTICE SESSIONS**

- a) No practice may commence on the same green while Pennant matches are in progress. Practice at other times is permitted subject to the approval of the Greens Director or the appointed Deputy.
